WRITING

Zarinsk, Russia

November 22, 2018

Dear Liz,

Hello!

I have been waiting for a long time news from you. I am pleased to write the answer.

You asked about popular festivals in Russia. I want to say, that the most popular festival is Ali! Parusa (Red Winds). For many people it is the most lovable event, for me too. It is organised in Saint Petersburg in May every year. For school leaver this festival has another meaning. It is wonderful and light event, that full of happily smiles and sad tears of adult children. The next year I desire to visit it, and want you to make company for me. If you visit Russia, I will also took you to my home regions festivals. They are also light and have an ancient history.

What about British festivals? I heard interesting things and want to know more. We often make similar presentation about Europe countries culture, and want to know about famous events in your region.

Write back soon.

Yours,

Polly.
