## The Seeker

It It was the most frightening experience of my life. Everything started when my closest friend, a photographer Jimmy took me and the other guys for a trip. His two friends - Billy, the fat guy with a funny haircut, and Jack Byceps from the gym - wanted Jimmy to enter a photography competition. So Jimmy thought: "It would be so funny if I invite my brother Bob and prank him". The next day all of us already were going to a "surprise country" as the photographer told us. But Bob knew or he thought he knew that we were going to New Guinea, so he took a surfing board with him.

Imagine our faces when we arrived to Russia. We were so thankful to James we bought him a <sup>Russian</sup> apple. On the next day we went to the forest to seek for a bear ~~as~~ because photography is just intricate.

So when it was near 4 o'clock we've found it sleeping in the shadow of a tree. Bob was talking very loud because he was tired of ~~the~~ taking his beard when-

ver we went. The bear woke up, no sooner had Jimmy set me up. ~~He to~~ James took a couple of pictures and noticed the bear stand on it's paws. Jim said: "Guys, I think we should run" and ran.

~~The~~ They were so exhausted ~~tender~~ after ~~a~~. Such a long trip they forgot about me. I was so overwhelmed that I turned off and never woke up.
