Writing

Report on special events.

Introduction.

I am writing to report about past year event in my city. that is not famous because of unusual people but have some delightful things in common.

Main features.

The most gorgeous event here is the city's day. The date is nearly the middle of the summer. It is full of fun, competitions, beautiful decorations and happy people all around. No matter who are you, you will like it anyway. Our city prepares all the activities and provides them to our community. ^{including survey} Children can be amused with firemen's cars and flying planes. The elderly part of the population finds different pictures, festivals and concerts.

The best thing.

The most willing part of the day is the evening. It is the time for the main concert of the year. Our city gives us a chance to enjoy one of the most famous singer of the country. Everyone sings and dances. You can also spend some time with friends. Additionally, our city doesn't forget to control our safety.

Conclusion.

To conclude, this day has a special meaning for all of us and gives a lot of entertainment.
