## Writing

After ~~reading~~ I had read your note in the magazine, I collected some data about life in my town and wrote a report.

As my town is not big and famous, unusual events do not happen every day.

In this year the cinema was opened. It works everyday except Tuesday and only 2D films are available. But we all consider that it is better to have this one than have nothing.

Also, recently one student was poisoned. He nearly died, but our medics helped him.

This summer the bridge between two parts of the town became broken and now it is closed. It is not allowed to cross it by cars, trucks etc, but people can still walk on it.

Moreover, there was event, where the Teacher of the year was chosen. Frankly speaking, the results are unknown to me, but my friend performed there.

This year most of my friends are having exams. Now they will be more complex than before. Our preparations are laborious.

Maybe our town is not so entertaining to read about, but the most important is that our community is friendly and we are happy to live here.
