Introduction

A lot of amazing events have been happening in my town

Beginning

Firstly, some famous singers came to my town in the summer. They took part in the concert. It was great. Over fourty thousands of people were on it. All of them were very happy and danced a lot. Moreover, in my town was a kurven. After it the government of the town built a new attraction.

Other events

In my town started work a ~~data~~ data center. It helps a large community of people with their problems. Besides, the swimming pool was built. It's so large! This swimming pool is very popular now. All people go there.

Important events for me

The new gym started work in the summer. There are a lot of exercise equipment in this gym. I go there three times a week with my friends. It is more better than our old gym.

People of my town

As for me, people in my town ^{are} very kind. They always ~~are~~ help tourists and visitors.

Conclusion

In conclusion, I want to say that this year was great a lot of important events happened.
