### Writing

Unfortunately there are so little events in our small town which can be really interesting. But some cool events were passed in the last year. Let us speak about it.

In the past spring we had a marathon and it had a great size. Our community of runners took part in it to understand how strong we are. Of course, not everybody could finish but it wasn't the most important aim of it.

At the end of July we passed the annual the Day of town. There were amazing programmes in all parts of the town. You were able to find entertainments for any taste. The evening programmes were absolutely unbelievable as the famous singers of Russia came for our holiday. It is important to note that police survey worked very well and all was absolutely safe.

Let me say some words about event which was only two months ago - the Day of Knowledge the first of September. By the way, this date was Sunday and that's why all events were passed on the second of September. This day was full of different school events. For example, the parade of pupils who came to the first grade in the central square of our town.

It is absolutely right that our town don't have so much events as we want but all holidays which are celebrated are very cozy and friendly.
