## Writing

Do you know that ...?

I am going to write a report about one unforgettable place. It is a village, called Tyergun, which is situated not so far from my town.

I guess you will ask me: "What can I find at this countryside?" "Are there any important events?" Of course! "Berloga" (organization of the ski-desert) locates in this area and provides many interesting things for the visitors. For example, in the end of August 2018, I don't remember the accurate date, there was a Big Rock Festival. Saying about sport, it is important to mention the bicycle's race in the past year. What about winter? It was a variety of many sports events, especially for the ski-lovers, too. All survey is <sup>always</sup> on the high level. You will get all needed attention and help if it is necessary. So, this community can help you to get a rest from your routine life.

To sum it up, I want to say that this place is visited by foreigners too. One of them after spending one night at Berloga's house said something like that: "I had a sleep at paradise"
