What is Happening in the Place You Live?

Have you ever thought about what is happening in the place you live? I, for example, not. So, today I'll tell you about important events, ordinary day-to-day life, people in general of my home town and other information.

At the beginning I'd like to tell you about important events which has been happening in my home town Zarinsk over the past year. One of the most important, in my opinion, is a parade where people showed the photos of their relatives who took part in World War II. Truly, I don't think that any other event which was held this year is worth your attention.

The ordinary life of community of Zarinsk is the same as in other cities - you go to school if you're a pupil or go to work if you're a grown-up. Nothing interesting. The ordinary life in Zarinsk is calm and boring for me.

In spite of this, I think that people of Zarinsk are very kind. I haven't ever seen any conflict among the citizens.

All in all, there is nothing interesting happens in my home town. Maybe, I hadn't enough data for the survey. (125 words)
